PARKING

The Capital Bluffs Event Center offers onsite parking for around 400 vehicles on a first come first served basis, including potentially places for buses to park. We recommend utilizing the shuttles provided by MONA to travel to and from the MO State Capitol the day of the event, rather than trying to find parking close to the Capitol. Parking will be extremely limited downtown and near the Capitol, due to the Missouri State Legislature being in session.

The following is a list of locations around Jefferson City that can accommodate parking for large buses. If you have chartered a bus for your trip to Jefferson City, your driver can try to park the bus at one of the lots below during the afternoon at the State Capitol.

- 200 & 300 Block of State Street (*by Governor's Mansion*), between Madison Street and Jackson Street
- 400 Block of Washington Street
- 100 Block of Miller
- North Jefferson City Commuter Parking Lot (*located by Jefferson City Memorial Airport exit on the north side of the Missouri River Bridge*)
- 1616 Oilwell Rd – the event venue, Capital Bluffs Event Center parking lot
