HB 392 Rep. Dave Hinman SB 144 Sen. Nick Schroer SB 179 Sen. Patty Lewis	Subject: Transition to Practice for Advanced Practice Registered Nurses (APRNs) This act modifies provisions relating to the practice of advanced practice nursing. Under current law, collaborative practice arrangements between physicians and registered professional nurses may delegate to an advanced practice registered nurses ("APRNs") the authority to administer, dispense, or prescribe certain controlled substances. This act provides that the section of law providing for such agreements shall not apply to APRNs, excluding certified registered nurse anesthetists ("CRNAs"), who have been in a collaborative practice arrangement for a cumulative of 2000 documented hours with a collaborating physician and whose license is in good standing. APRNs applying for licensure by endorsement may demonstrate to the MO State Board of Nursing completion of such hours. Additionally, any such APRN shall not be required to enter into or remain in such arrangement to practice in this state. MONA’s Position: <u>MONA supports this legislation.</u> Action: Contact your legislators and urge them to support these bills.
HB 327 Rep. David Casteel	Subject: Prescriptive Authority for APRNs This bill adds Schedule II benzodiazepines and stimulants to the prescriptive authority of an advanced practice registered nurse (APRN) who holds a certificate of controlled substance prescriptive authority. The bill also permits an APRN who is in a collaborative practice arrangement with a physician to prescribe and administer Schedule II benzodiazepines and stimulants. MONA’s Position: <u>MONA supports this legislation.</u> Action: Contact your legislators and urge them to support this bill.
